CORE 4 KIDS Jan 21-22, 2017

Pediatric Brain Tumor Foundation Fundraiser

Please join us for the 5th annual "CORE 4 Kids" fundraiser on January 21-22, 2017. Each \$80 donation includes an event-specific T-shirt and information on the local Off-Highway Vehicle (OHV) areas. Specific information on optional OHV loops ranging from 10 to 130 miles will be made available to fundraiser registrants. Likewise, information pertaining to suggested lunch/gas/photo stops will also be available.

All fundraiser participants are encouraged to bring their Dual-Sport bike(s) AND/OR off-road toys to enjoy and explore the surrounding area. There are miles and miles of trails and scenery in the immediate area surrounding Glamis North Hot Springs Resort.
