Rules

Participation is voluntary, but you must play to win. Club Officers ARE eligible to play along with their wives, dates, etc.

Categories. Each contestant can compete in one category. A sign-up sheet will be posted for contestants to register. After dinner, contestants from each category shall be called upon to stand up and model their sweaters before being judged.

Good taste and respect are required. No vulgarity, profanity, offensive, discriminatory (e.g., mocking religion), overly revealing, or inappropriate attire is permitted.

"Sweater Definition". To participate, attire must be a Christmas or a winter-themed sweater—a sweatshirt, sweater vest, jacket, or T-shirt alone does not count.

DIY Encouraged. Creativity and homemade additions (tinsel, lights, ornaments) are encouraged, as long as they are securely attached and do not pose a safety hazard.

Judging. Public but informal voting by all guests shall determine winners in each category — i.e., show of hands, Cheering, Clapping, Harrumphs, etc. Use the time before official judging starts to plug your sweater and gain support.
